To: **United States Customs Officials**

Concerning: _____
Courier's parcel tracking number

Sent from: _____
Sender's name on shipping label

This is to confirm that the exported material in this package:

- 1) the exported materials are tissue samples derived from avian/birds and/or porcine/pigs;
- 2) the porcine tissues were fully fixed in 10% formalin prior to export to the United States;
- 3) the avian tissues were fully fixed in 10% formalin and/or placed on FTA cards prior to export to the United States;
- 4) the avian tissue sample imprints were collected on Whatman® FTA Classic Cards, contain only liquid and no excess tissue, and were left to dry completely on the FTA card at ambient temperature (for 45 minutes or longer); and
- 5) the exported material was not exposed to or commingled with any other animal origin material.
