RESTRICTIONS AND PRECAUTIONS: (continued from Permit Form VS 16-6)

- Imported articles (including hand-carried material) may be subject to regulations enforced by US Customs and Border Protection (CBP). Please visit their website:
<http://cbp.gov/biologicals>.
 - Work with the permitted material shall be performed in accordance with the condition requirements described in this permit. Subsequent distribution to another state is prohibited without prior authorization of APHIS (in the form of an interstate transport permit, written correspondence, or reference to an applicable guideline for no import permit required). Any change in use, treatment, disposal, and distribution within the state may require approval from the state *and/or* local government.
 - This permit does not exempt the permittee from responsibility for compliance with any other applicable federal, state, or local laws and regulations.
 - A copy of this permit must be included with the shipping documents. For imported materials, these documents must be presented to CBP Agricultural Specialists upon arrival at the U.S. port of arrival.
